

**ATTACHMENT TO INTERVIEWS OF APRIL 4 & 8, 2008**

Attorney requested information whether or not that the Applicants will be able to submit a certified English translated copy of the instant specification drawn to the pertinent specific disclosures in the specification to support the instantly claimed invention Examiner had never had any requests for submission of a partial translated copy and had no objection if it is approved by Supervisor. The request was submitted to the Supervisor who also had never had such a request but he had reservations whether it met the qualifications in accordance with the MPEP. The Supervisor contacted the Office of Patent Legal Administration who indicated that Applicant is required to submit a full translation in accordance with MPEP 201.13 and requirements under 37 CFR 1.55.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to HERBERT J. LILLING whose telephone number is 571-272-0918. The examiner can normally be reached on WORK AT HOME MAXIFLEX.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, JON WEBER can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
